I understand and acknowledge that there are risks of personal injury, death and property damage while participating in activities and events and using the facilities offered by Inventor Forge Maker Space 501 (c)(3) Non-Profit. Some risks are inherent in the use of power and hand tools; other risks are inherent in making and fixing things generally; still other risks may arise from conditions, situations, or activities of which I am presently unaware. All use of tools has some risk of injury, particularly when used incorrectly or unsafely.

In consideration of Inventor Forge allowing me to enter and/or utilize its facilities, I hereby release, discharge, waive, disclaim, any result of my participation in any project, my use of Inventor Forge tools or equipment, or any activities incidental to such use; this shall apply even if Inventor Forge is negligent or otherwise at fault. I also agree to defend and indemnify Inventor Forge and hold it harmless for any personal injury, death or property damage arising from my conduct, even if Inventor Forge is also negligent or otherwise at fault.

I understand that the effect of my signing this document is that I (1) assume all risk of any injury, wrongful death or property damage I might suffer while participating in a class or otherwise using the facilities of Inventor Forge, even if it comes as a result of the negligence or other fault of Inventor Forge, (2) absolve and release Inventor Forge from the consequences of their negligence and/or other fault, (3) will indemnify and defend Inventor Forge against any legal actions or other claims for damages arising as a result of my conduct, (4) I further agree to the use of the aforementioned individual's image and any images of class projects or work in progress on the premises for program promotion and publicity. I understand that I am forfeiting important legal rights and incurring important legal responsibilities. (5) The Maker will participate in mandatory safety training prior to using any tools, machines or equipment. The Maker will not use any tools, machines or equipment until in-person "certification" training has been completed. (6) All tools, machines and equipment may only be used inside the Maker Space and may not be removed. (7) The Maker will report any accident/incident that occurs on Maker Space premises to a staff member immediately. (8) The Maker agrees to pay for the loss or damage to any items and further agrees to accept the District's assessment of fair restitution for damage, dirtiness, delinquency and/or loss of items in part or total. (9) Items used in the Maker Space must be returned to their original location. (10) The

Maker agrees to take precautions to avoid causing unnecessary mess or damage in the Maker Space.

I understand that certain skills and safety procedures are required in order to reduce the dangers involved in project work. I agree to wear eye protection at all times when in the work areas, and to use such other safety equipment as may be required by the type of work I am performing. I understand and agree that should emergency services become

necessary, the expenses are my sole responsibility and not that of Inventor Forge. I agree that the terms of this document bind me, my heirs, assigns, executors and administrators, and protect Inventor Forge, their agents, employees, independent contractors, officers, lenders, members, customers, directors, and shareholders.

My participation is purely voluntary, and I agree that if at any time I believe conditions to be unsafe, I will immediately discontinue further participation in the activity. I also accept and agree to abide by any and all safety procedures established in the Maker Space (especially as relevant to my participation) and to exercise rationality and sound judgment. I agree to utilize only the equipment and areas in the Maker Space, and participate only in the activities and events, that are within the scope of my training and knowledge. Furthermore, I agree to report any accident, malfunction, or breakdown of equipment or facilities to the appropriate member of the Maker Space.

I hereby acknowledge that I have CAREFULLY read all of the provisions above, fully understand the terms and conditions expressed there, and I intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law. Should any portion of this agreement be held to be invalid, its remainders shall continue to be in effect.

I acknowledge I have been given a copy of the General Shop Guidelines.
